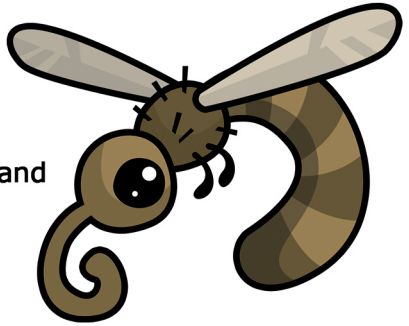
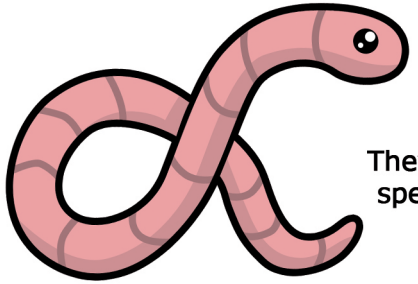
MOSQUITO

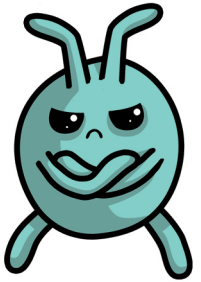
They fly back and forth, Avod them and keeps fleas away as they are deadly





LONG WORM

They wriggle in straight lines at a fast speed. Get out of their way quickly.

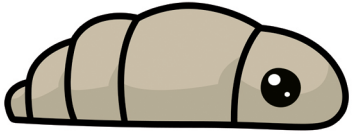


TICK

These guys like to pick a spot and just Jump in your way.

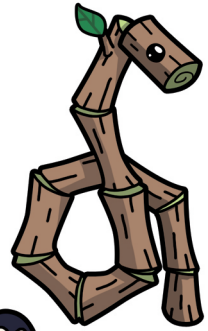
TINY FLIES

They are set on a defined rute but change the enviroment ant they will rerout



MAGGOT

They move slowly on the ground. Don't touch them, they are quite deadly to fleas and worms.



WOOD WORM

This stick insect runs the local caberet bar. She likes brass but is a woodwind fan at heart

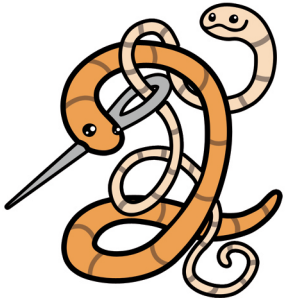
RING WORM

Hes a chill fasion icon in the flea fasion world and plays blingin tunes.

HOOK WORM

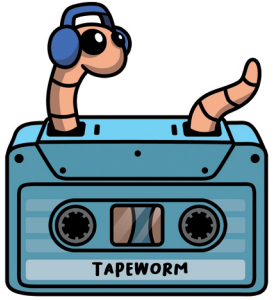
He runs the local

CLUB WORMS



NEEDLE AND THREAD WORM

These 2 run the electro club and are inseperable.They often work for whoever is the highest bidder.



SILK WORM

She runs the local witch house club. Fleas have been known to enter a tranclike state for days after visiting.

TAPEWORM

He runs the local disco. This is one of the fleas favoarte places. They feel safe here and have found sanctuary there on occasion.

FLEADA

She is a caberet singer at the local club. Loves to walk whitch can be dangeriuos when under nefarious influences

FLEADOM FIGHTERS

These 3 fight for the inetests of the fleas. They wont stand for any wrong doing.

RICK ITCH-HIKER

Hes a free spirit reveling the manygreat bests but also a bit of a coward.

FRANK

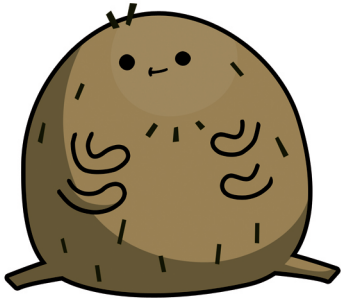
This mad flea is always experimenting with new substances with mixed results.

FLEAS

Most fleas just love to jump and drink blood. Help them collect it.

HUMFLEA

He is a ran of fine blood but can often be found busting a move at a slipy foam party.



BIG

He is a big softy. He runs the orphanage and knows all the jucy gossip on the beasts.

FLEX

He has soo much energy and is often last one left on the dance floor.
